`/assignments`	Assignment management	11, 12
`/profile`	Student profile	13
`/settings`	Settings page	14

1. Landing / Home Page

Route: `/` · Viewport: 1366px

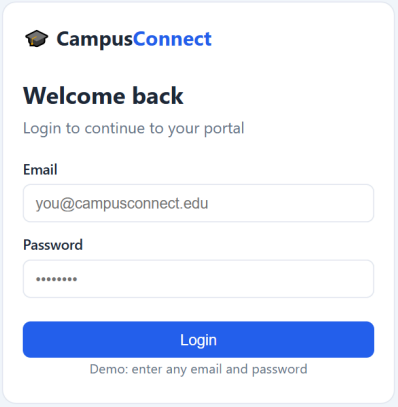

- Logo and Login button
- Hero section with call-to-action buttons
- Feature cards

2. Login Interface

Route: `/login` · Viewport: 1366px

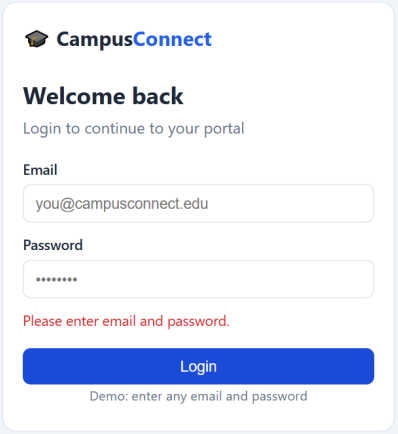

- Email and password form
- Login button (redirects to dashboard)

3. Login Interface – Validation

Route: `/login` · Viewport: 1366px

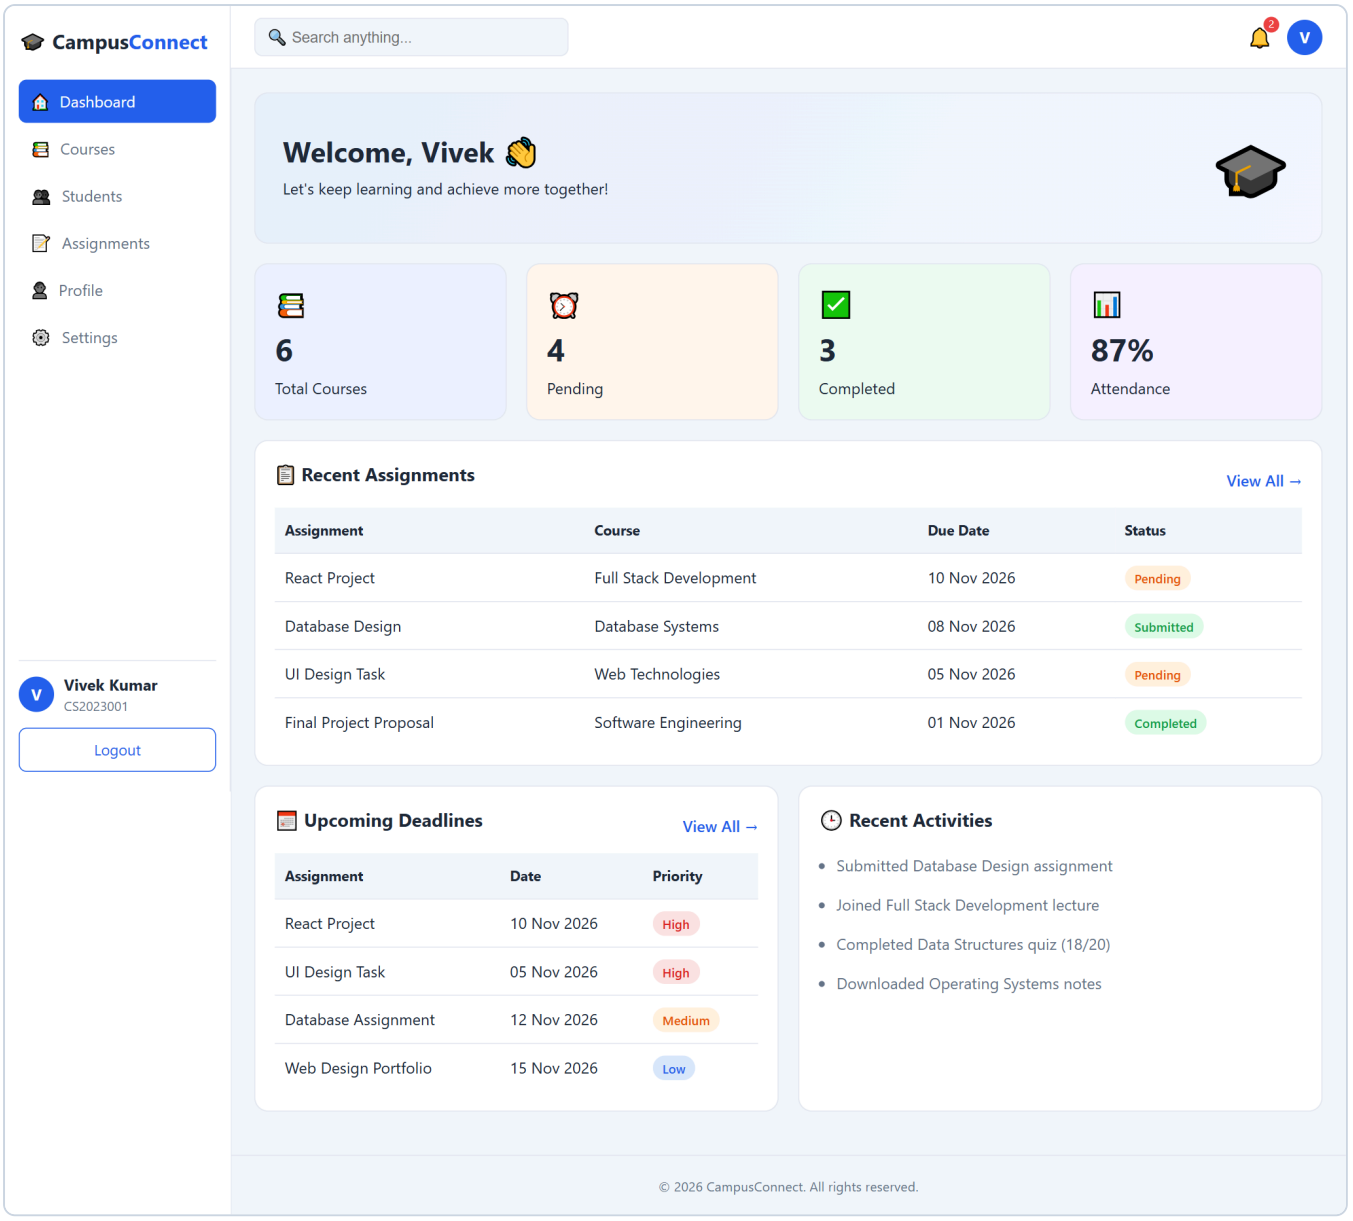

- Error message when fields are empty

4. Student Dashboard

Route: `/dashboard` · Viewport: 1366px

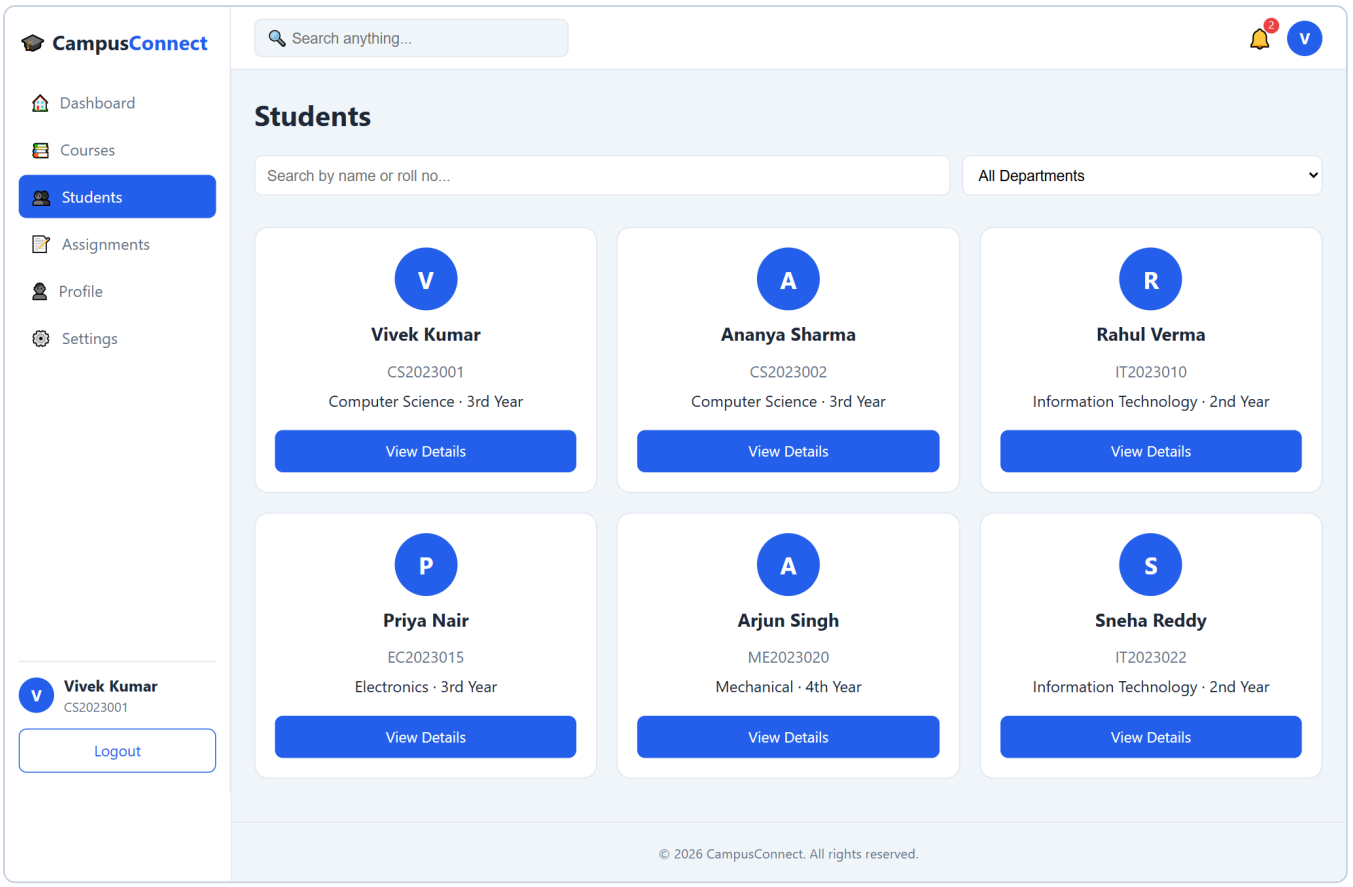

- Navbar: logo, navigation links, profile section, logout button
- Total Courses, Pending, Completed, Attendance %
- Recent Assignments table
- Upcoming Deadlines with priority
- Recent Activities

5. Students Page

Route: `/students` · Viewport: 1366px

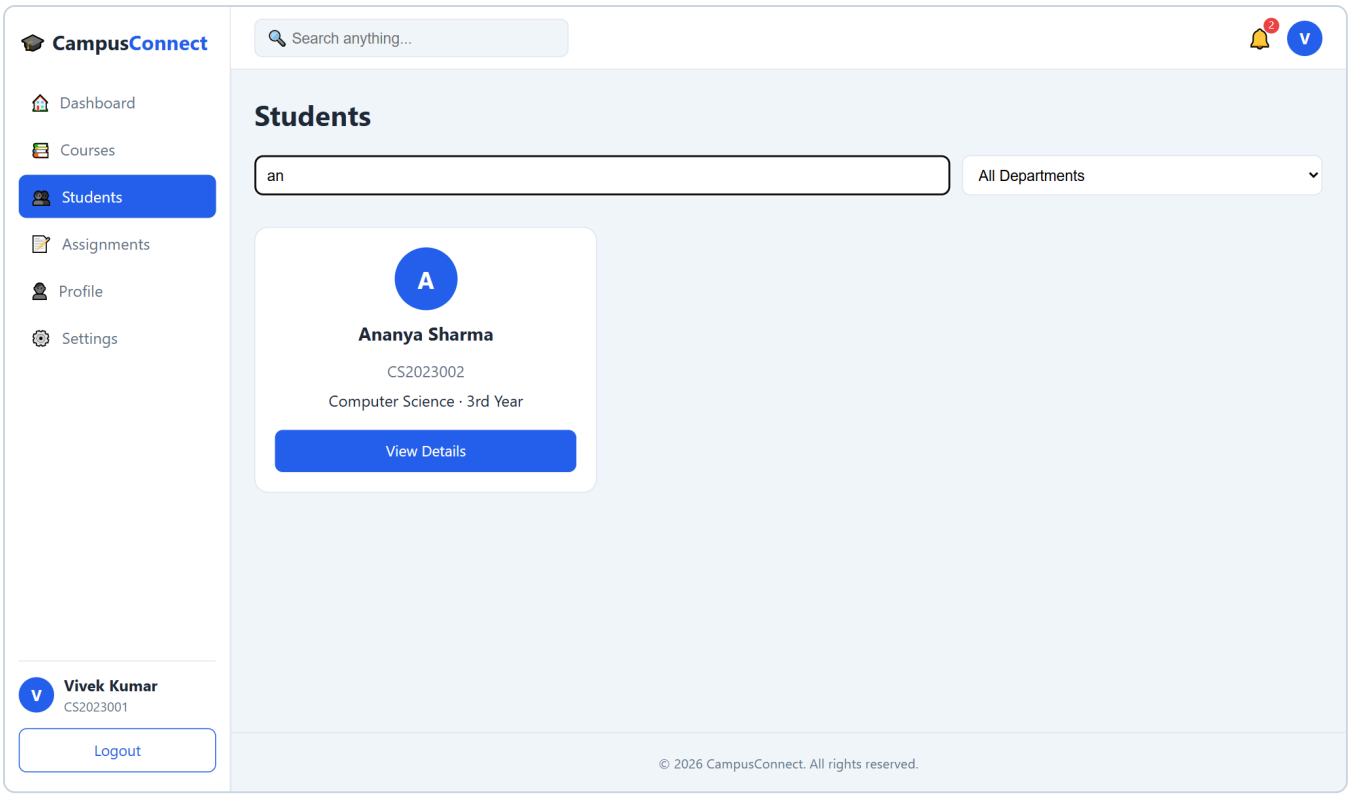

- Search box
- Department filter
- Student cards
- View Details button

6. Students Page – Search

Route: `/students` · Viewport: 1366px

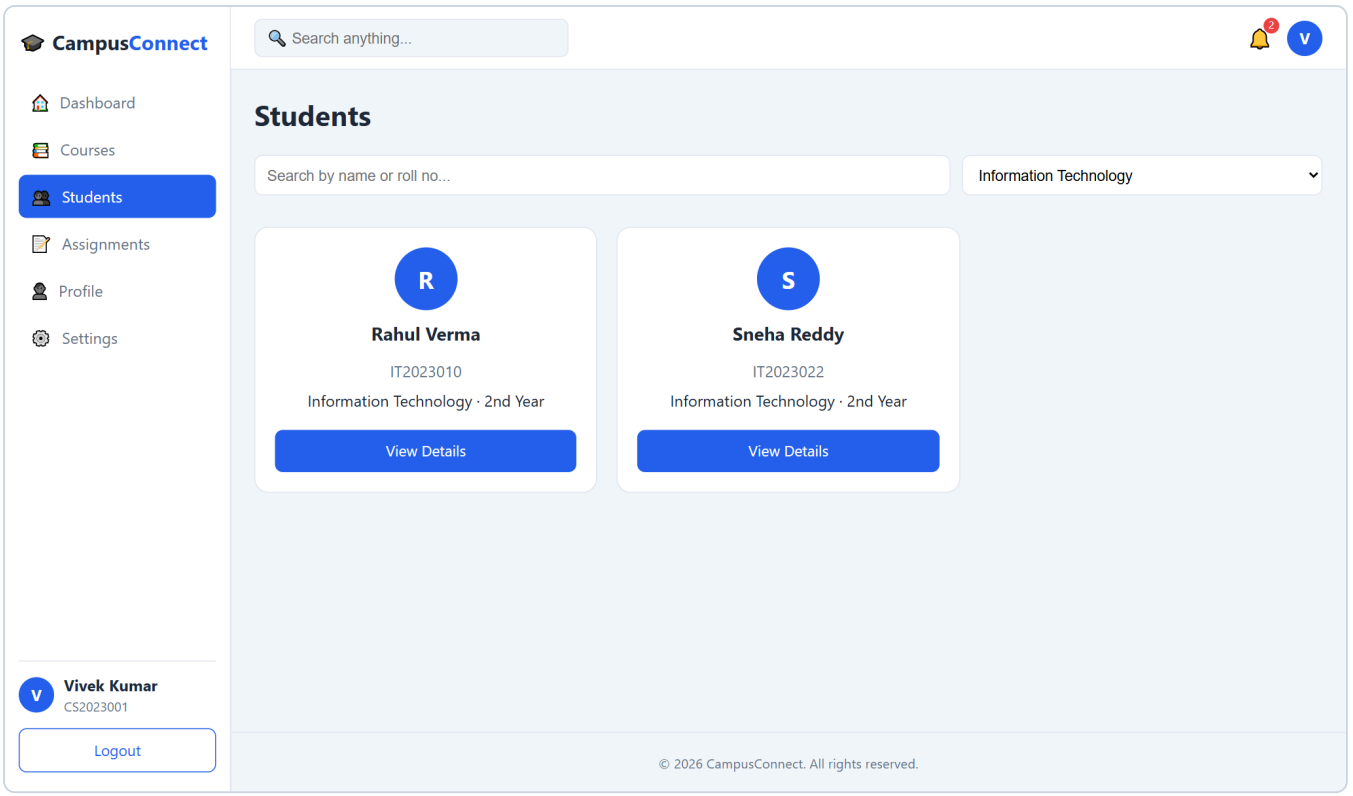

- Searching "an" filters the list live

7. Students Page – Filter by Department

Route: `/students` · Viewport: 1366px

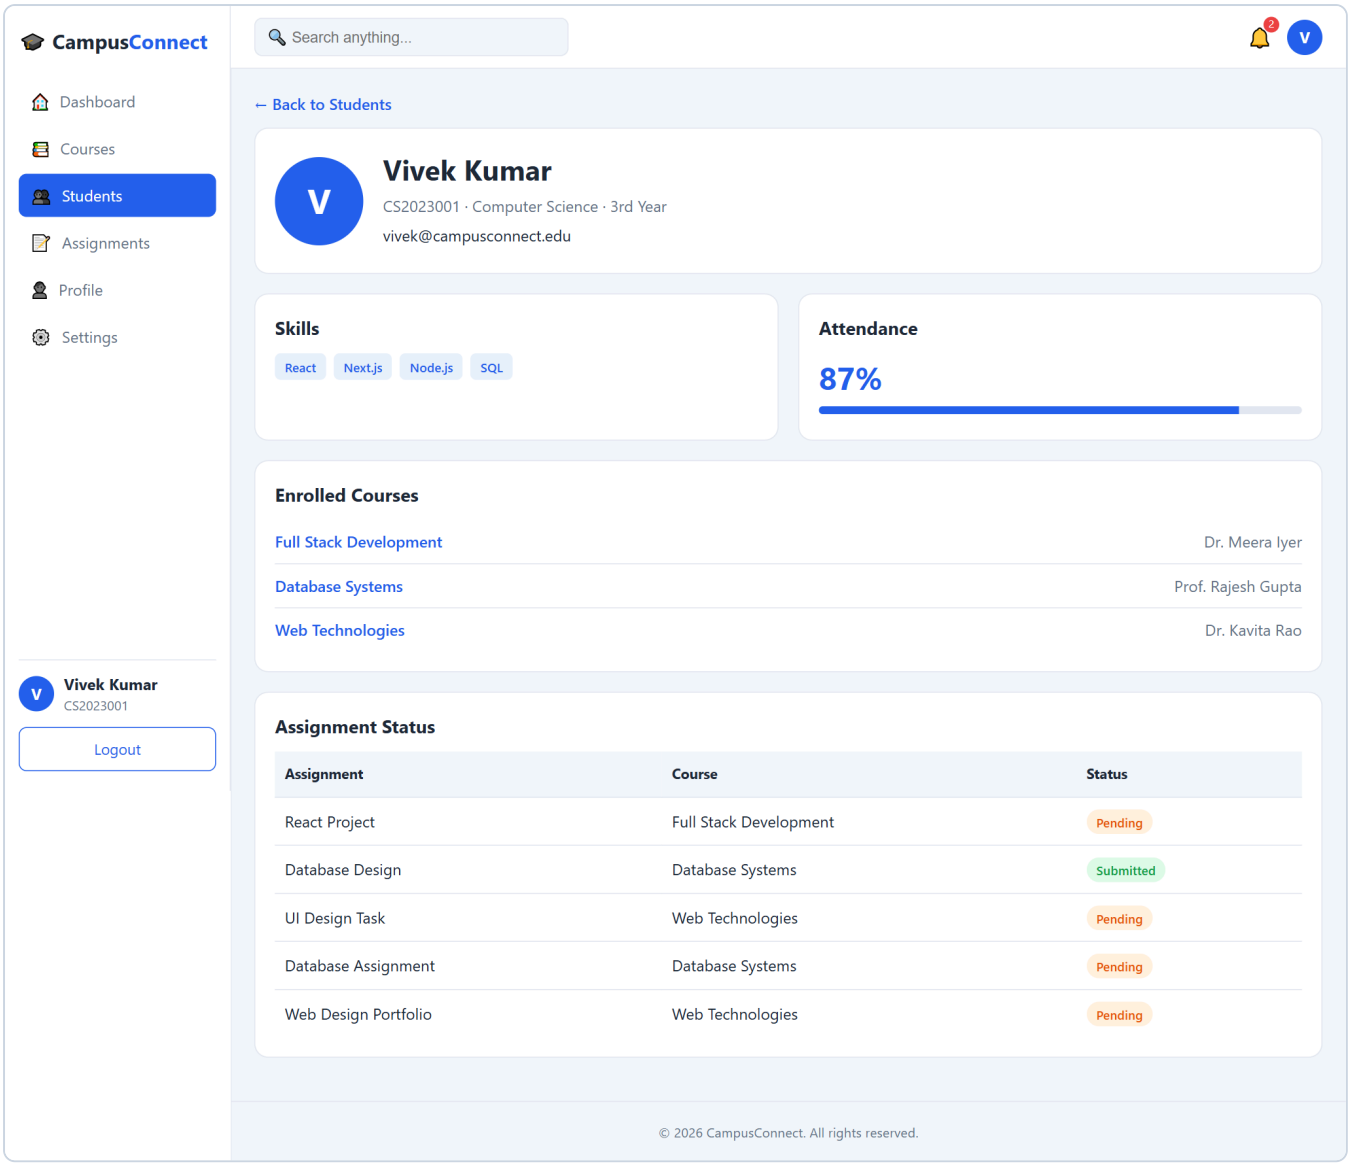

- Department filter set to Information Technology

8. Student Details Page (/students/1)

Route: `/students/1` · Viewport: 1366px

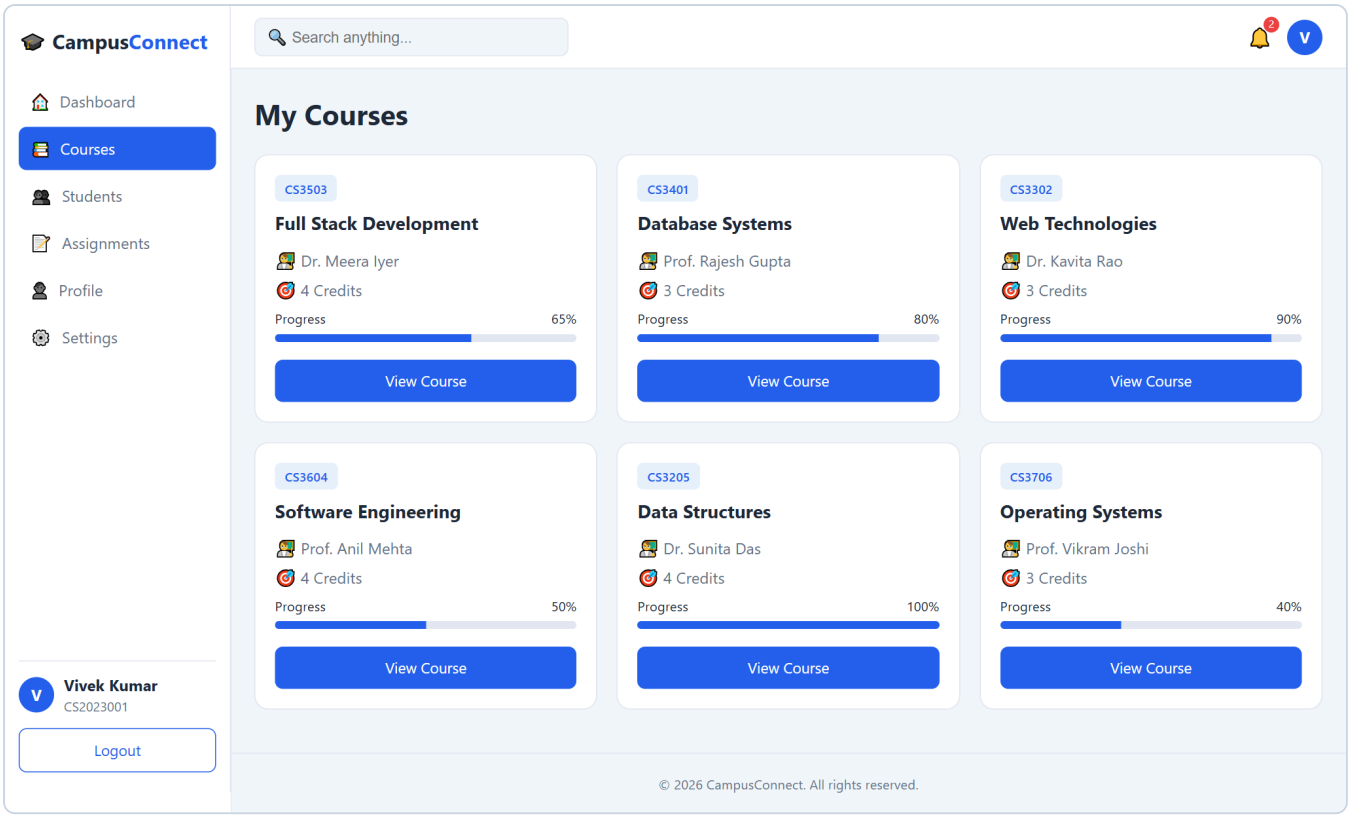

- Profile information
- Skills
- Attendance
- Enrolled courses
- Assignment status

9. Courses Page

Route: `/courses` · Viewport: 1366px

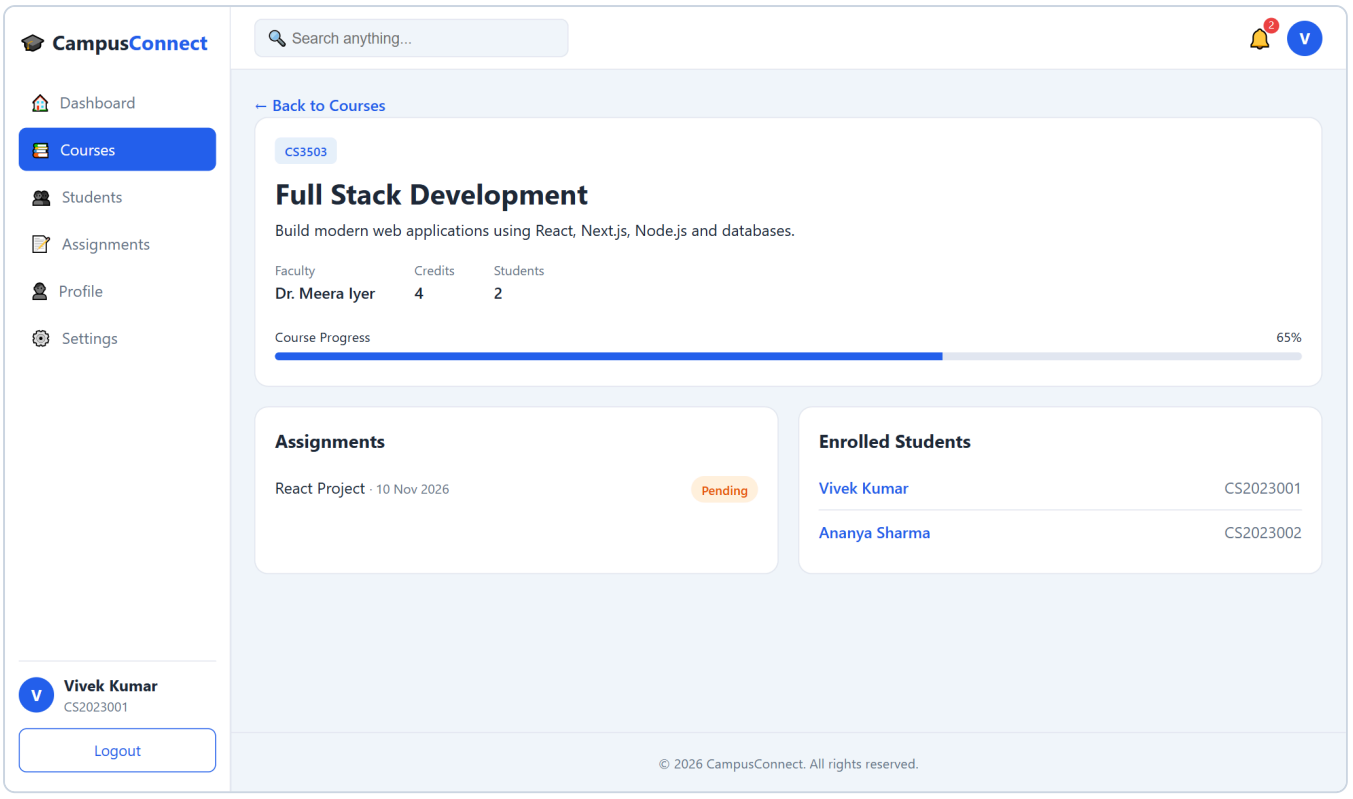

- Course cards
- Faculty name
- Credits
- Progress bar
- View Course button

10. Course Details Page (/courses/1)

Route: `/courses/1` · Viewport: 1366px

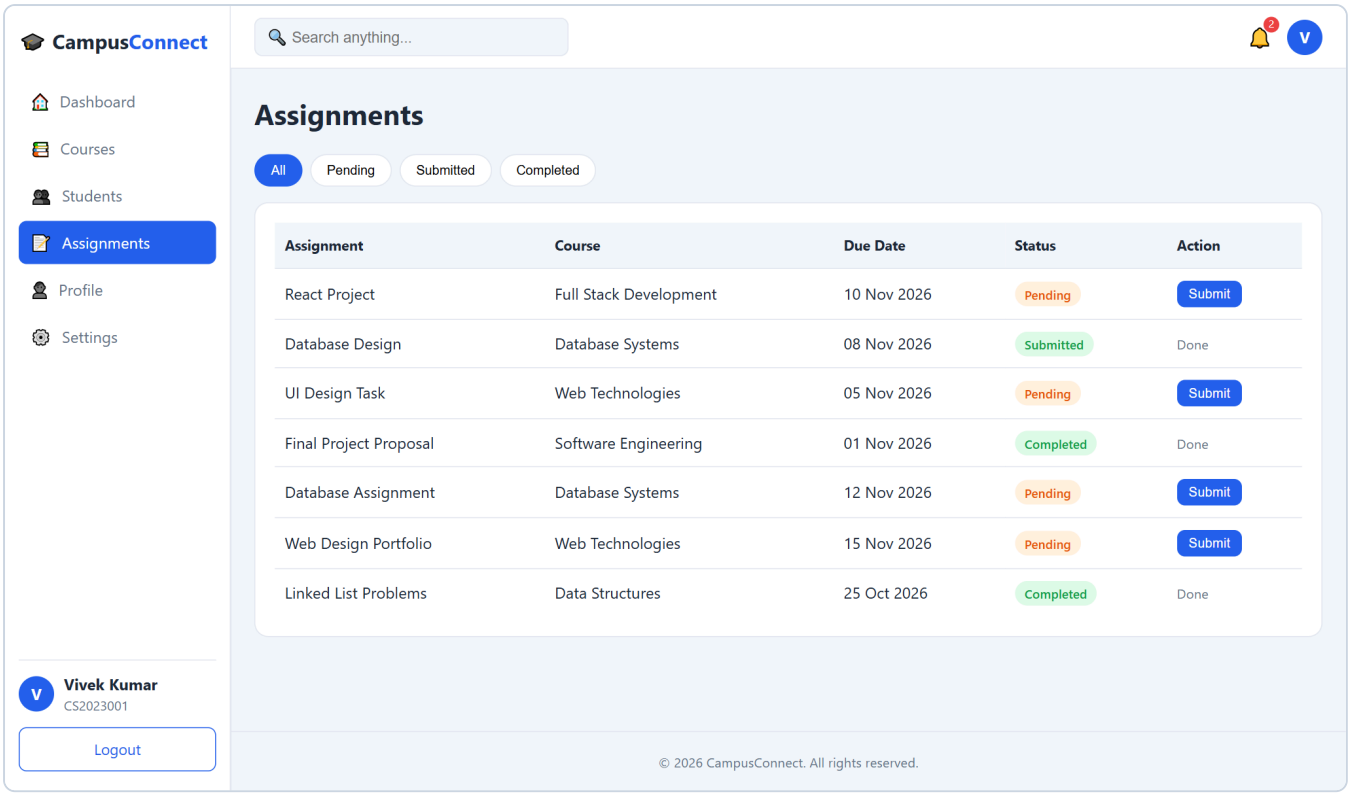

- Course code, description, faculty, credits
- Course progress
- Course assignments
- Enrolled students

11. Assignments Page

Route: `/assignments` · Viewport: 1366px

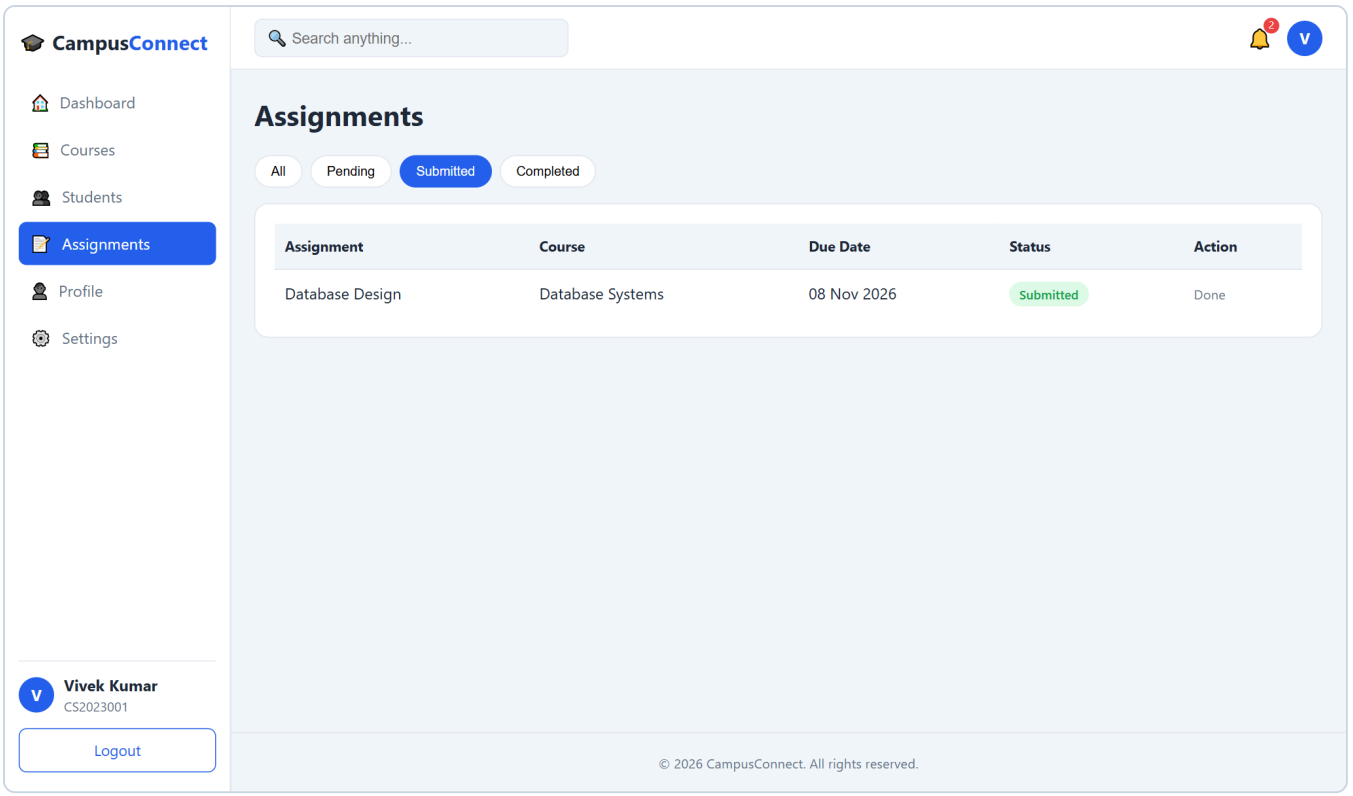

- Assignment title
- Course
- Due date
- Status badge
- Submit button
- Status filter tabs

12. Assignments Page – After Submission

Route: `/assignments` · Viewport: 1366px

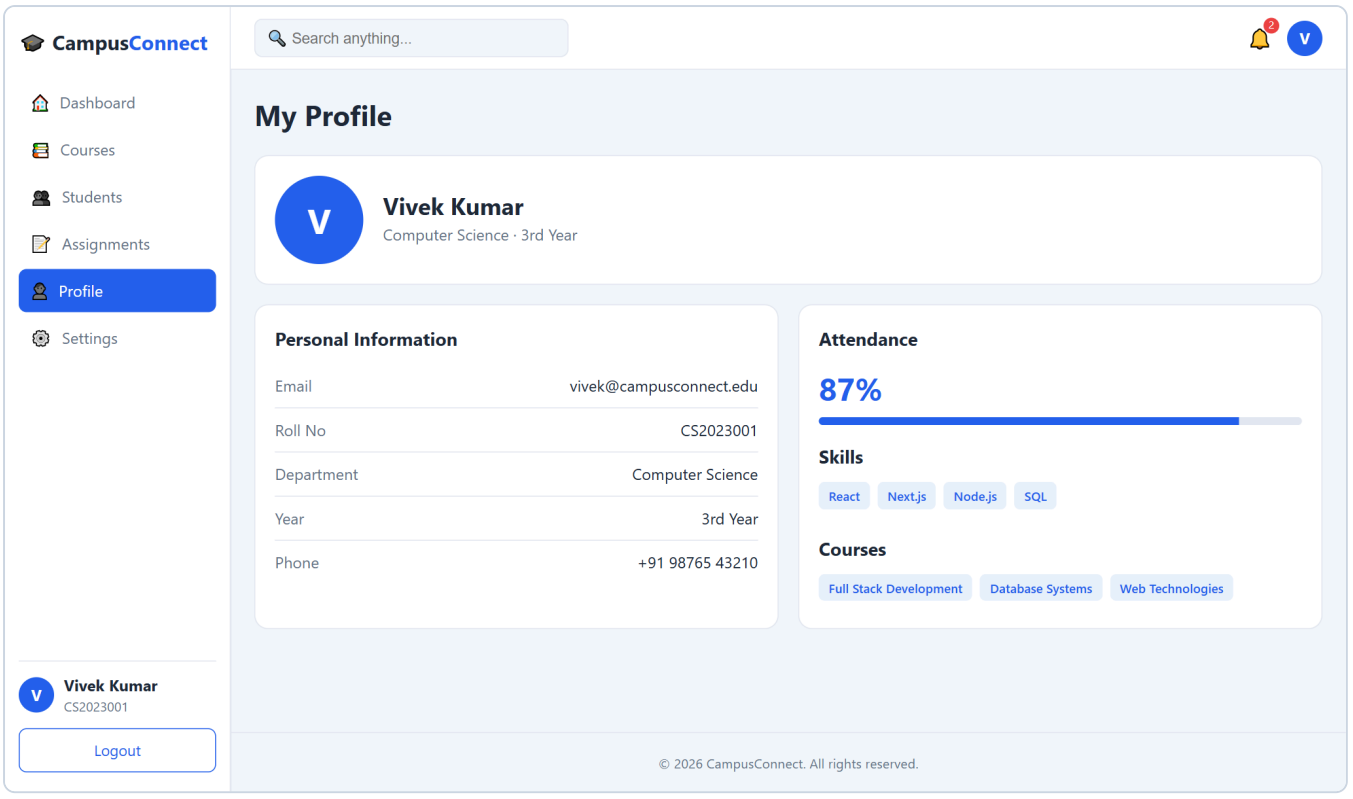

- Clicking Submit changes React Project to Submitted

13. Student Profile Page

Route: `/profile` · Viewport: 1366px

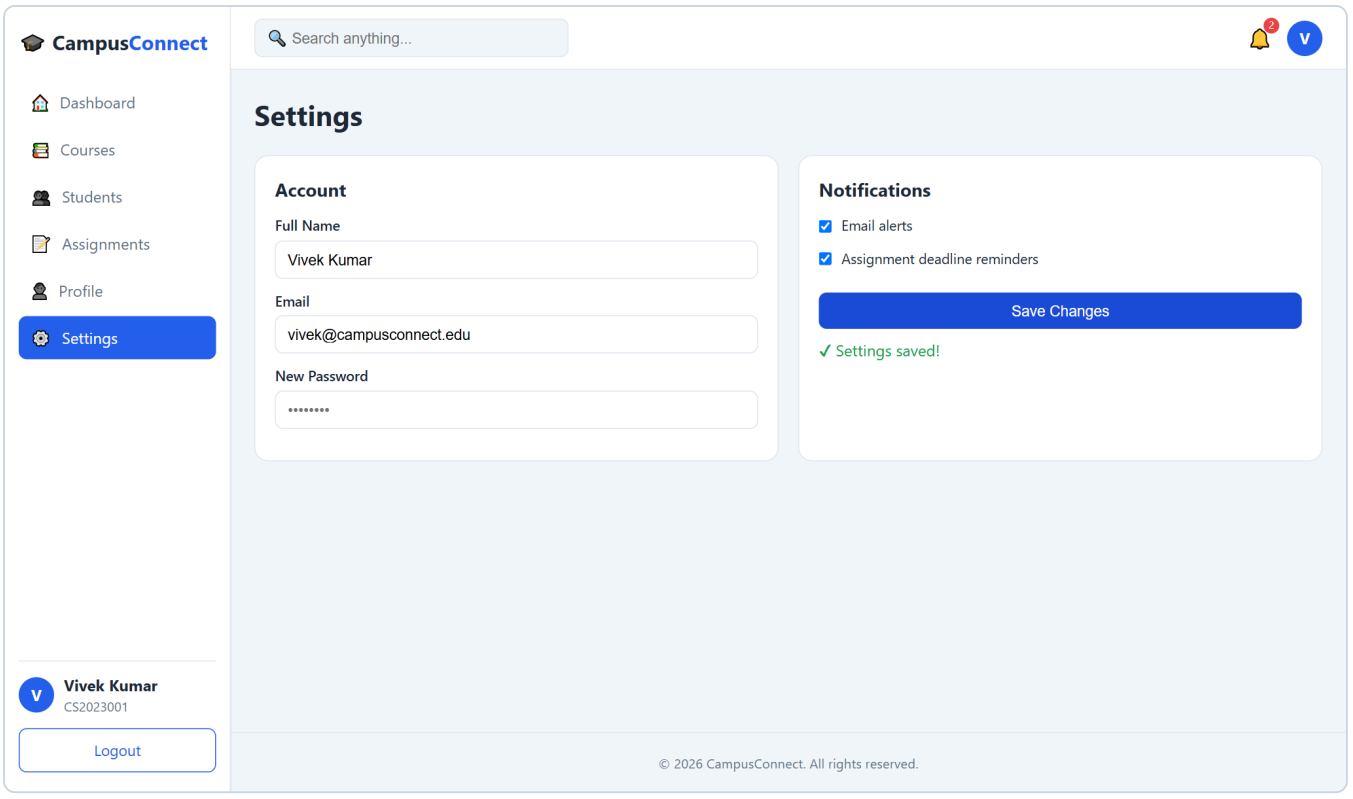

- Personal information
- Attendance
- Skills and courses

14. Settings Page

Route: `/settings` · Viewport: 1366px

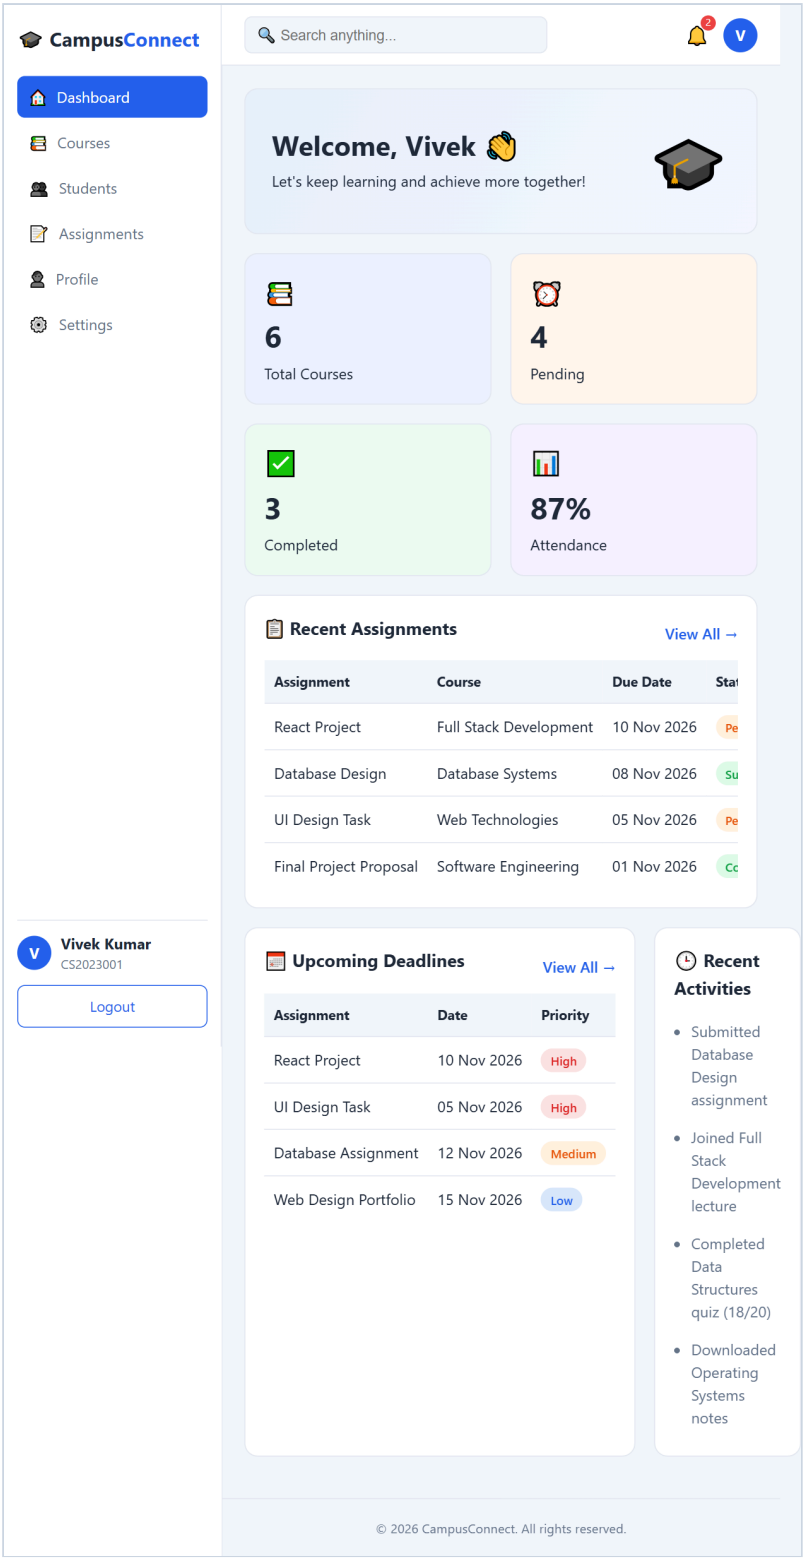

- Account settings form
- Notification preferences
- Save confirmation message

15. Responsive – Tablet (820px) Dashboard

Route: `/dashboard` · Viewport: 820px

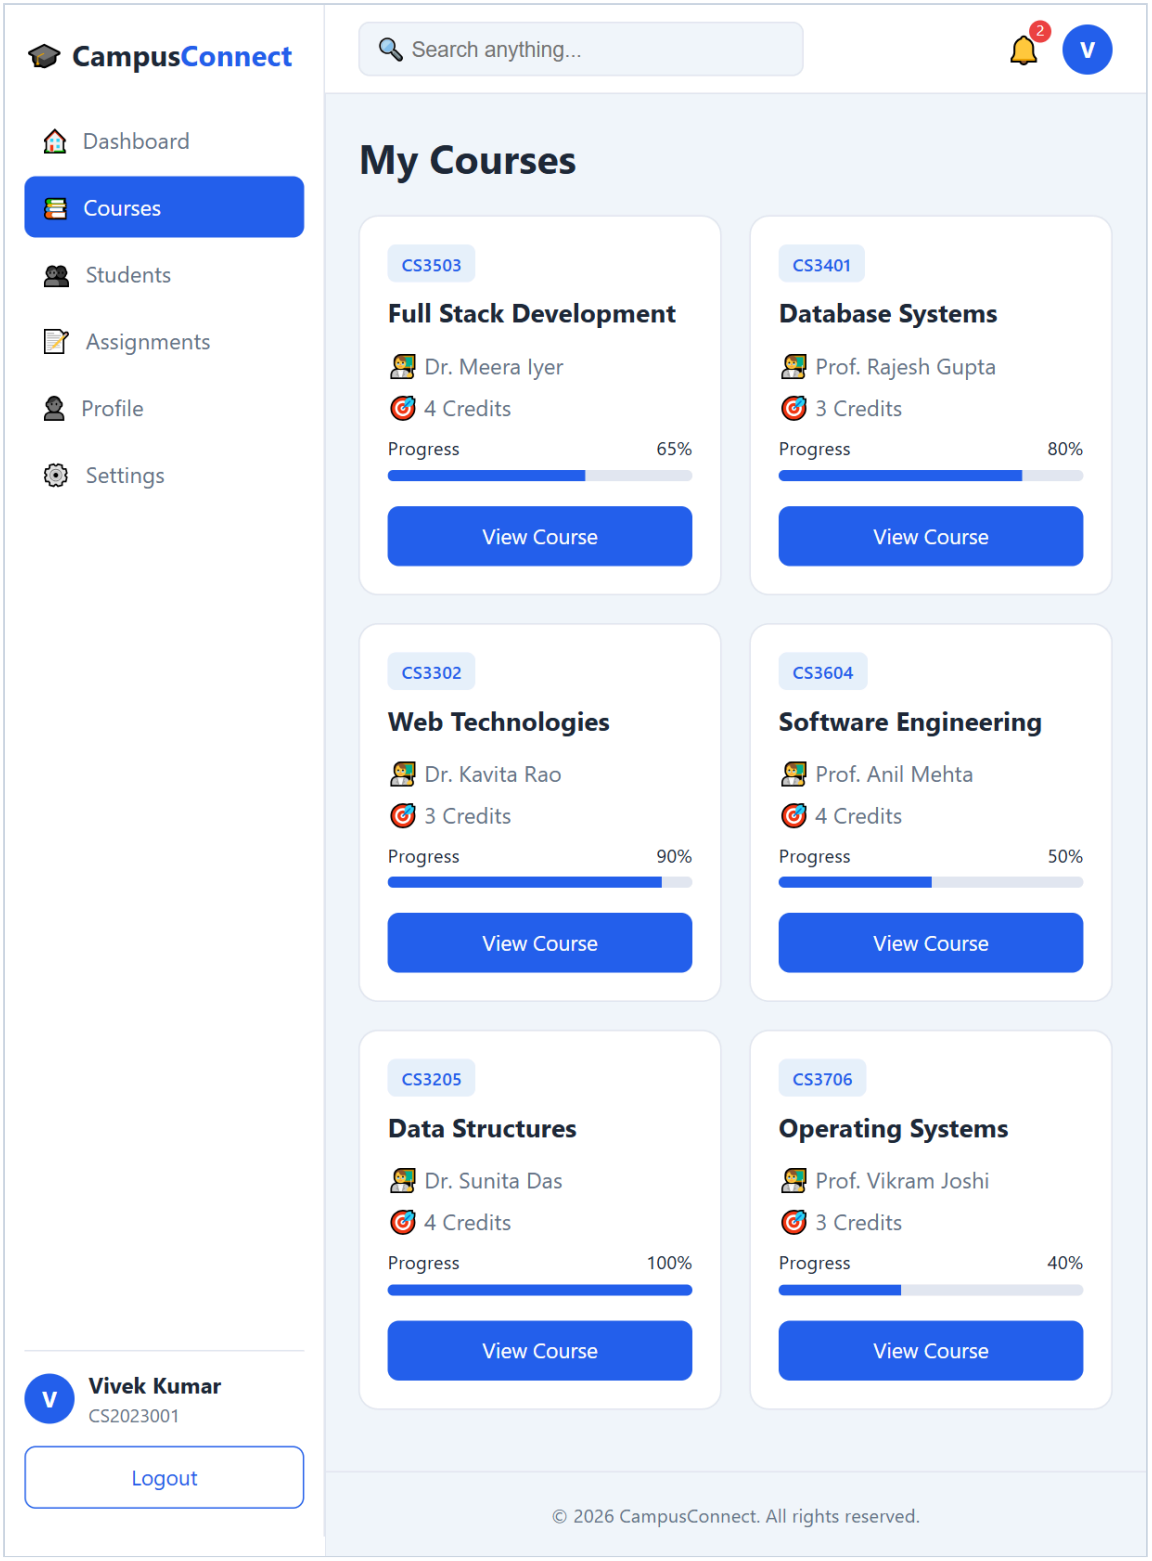

- Stat cards switch to 2 columns
- Sidebar collapses into a menu

16. Responsive – Tablet (820px) Courses

Route: `/courses` · Viewport: 820px

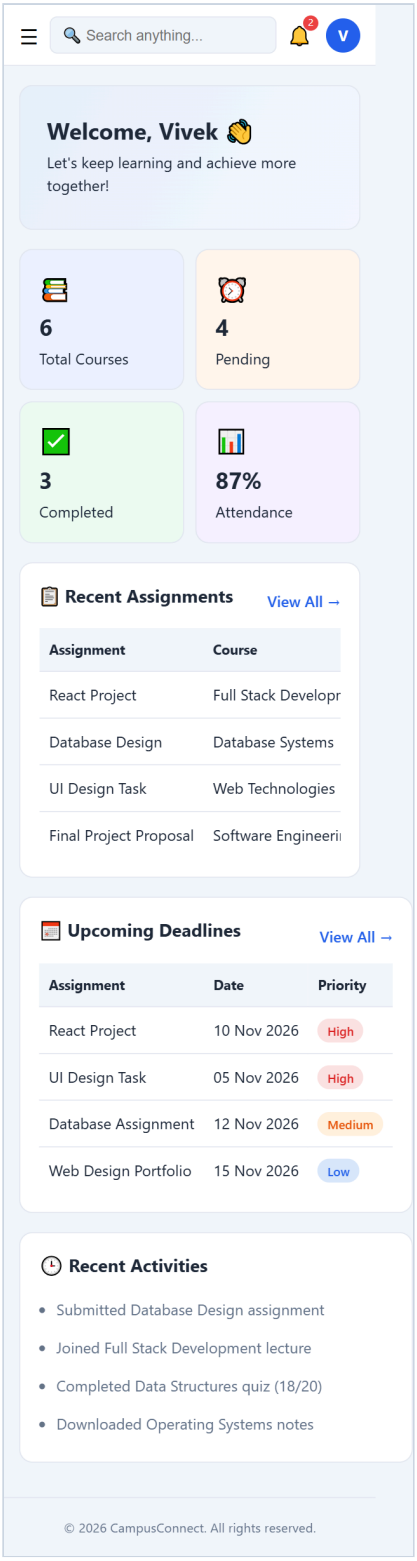

- Course cards in 2 columns

17. Responsive – Mobile (390px) Dashboard

Route: `/dashboard` · Viewport: 390px

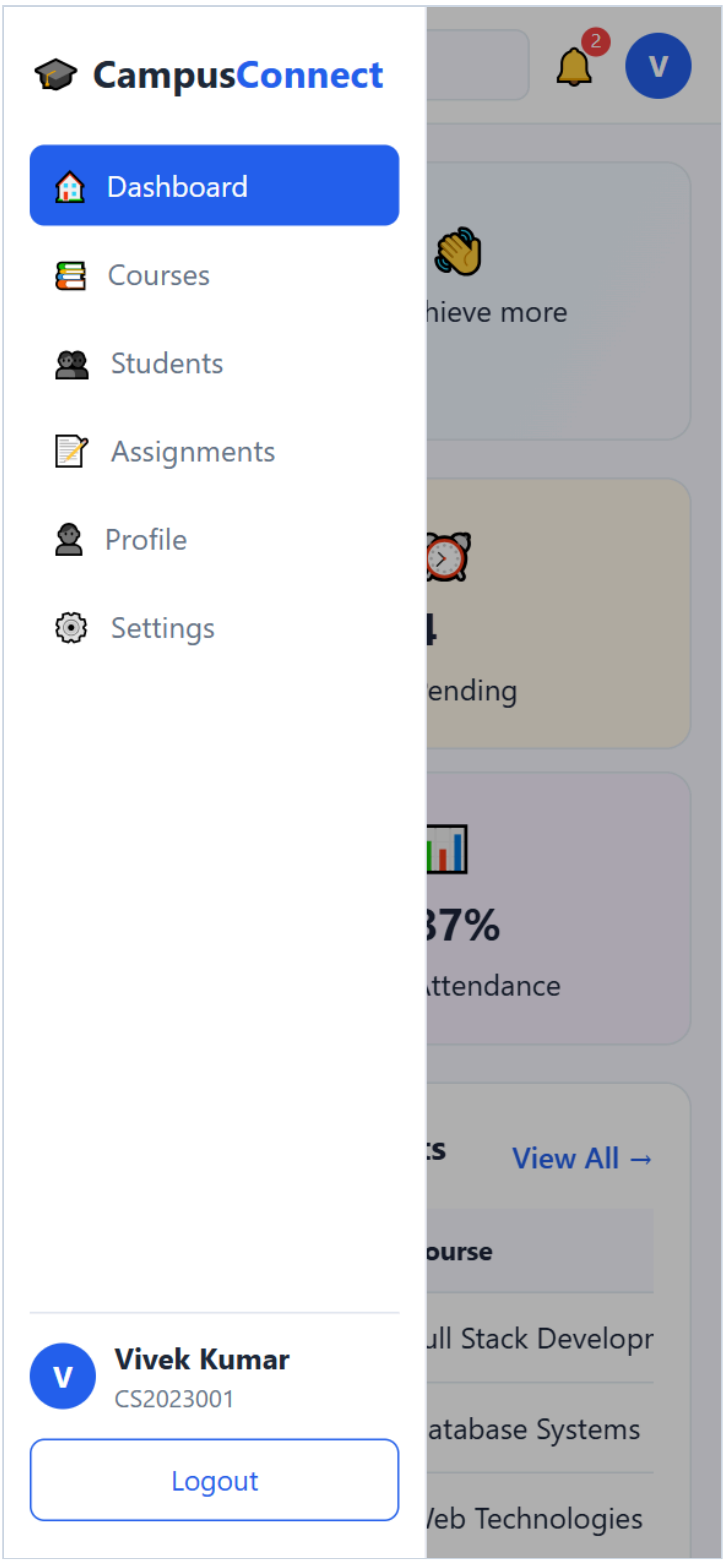

- Hamburger menu button
- Single-column layout
- Tables scroll horizontally

18. Responsive – Mobile Navigation Menu

Route: `/dashboard` · Viewport: 390px

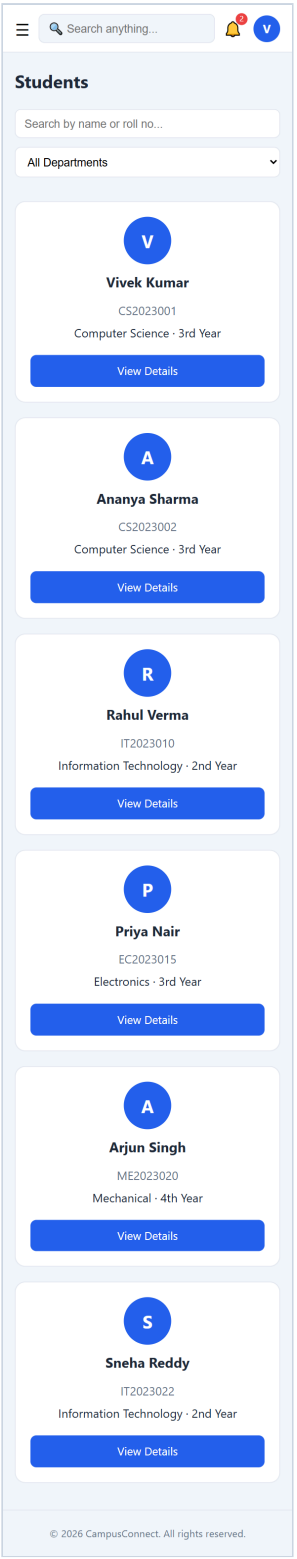

- Sidebar slides in when the menu button is tapped

19. Responsive – Mobile Students Page

Route: `/students` · Viewport: 390px
